

# NEW MEDICAL TEST AVAILABILITY ANNOUNCEMENT

**Koala Labs Exclusive Ultrasound for Prenatal Babies**  
John. D. Stephens., Inc. Now is offering the Availability of:

## Ultrascreen

**First Trimester Prenatal Screening and Ultrasound Exam**

### ULTRASCREEN BENEFITS:

- Gives you and your healthcare provider the earliest and most accurate information to assist you in managing your pregnancy.
- Detects more birth defects than any other screening test with the fewest false positive risk results.
- Helps identify over 90% of Down syndrome, 97% of trisomy 18, 40% of heart defects, and some other birth defects.
- Reduces mother's anxiety and unnecessary testing.

**Dr. John Stephens nuchaltranslucency Certification.**

Due to scientific breakthrough perfected at Koala Lab, you can now know more about your baby's health than ever before

The ultrasound can provide 100% accuracy. It is safe, we do not use needles, no risk of miscarriage, no harm to the unborn baby, safe for the mother.

**First Trimester Prenatal Screening & Ultrasound Diagnosis**

**The Doctor is M.D. licensed consultant (F.A.C.O.G.)**

**We let you see your unborn baby's health on the T.V. screen and give you photographs to keep**

**Privacy & Confidentiality Guaranteed**

**NEW FETAL HEALTH SCREENING TEST AVAILABLE.**

**ULTRASCREEN(R). FIRST TRIMESTER SCREENING BY ULTRASOUND EXAM INCLUDING NUCHAL TRANSLUCENCY and NASAL BONE exam. Lab fee is included in ultrasound charge. Dr. Stephens is CERTIFIED by the Fetal Medicine Foundation UK and USA. FMF#12054**

**FOR APPOINTMENT CALL:**

Washington - Harvinder (604) 805-6253

California - Jeeta (408) 828-0909

See [WWW.KOALALABS.COM](http://WWW.KOALALABS.COM) FOR INFORMATION

**ਇਹ ਐਡ ਅਪਾਇੰਟਮੈਂਟ ਉਤੇ ਨਾਲ ਲੈ ਕੇ ਆਵੋ ਅਤੇ \$100 ਦੀ ਛੋਟ ਲਵੋ।**
